

MINUTES OF AN ADJOURNED REGULAR  
MEETING OF THE BOARD OF TRUSTEES  
OF THE CITY OF TORRANCE

Torrance, California.  
May 9, 1922.

An adjourned regular meeting of the Board of Trustees of the City of Torrance was held in the Council Chambers at Torrance, California, May 9, 1922, and was called to order by President Fitzhugh at 8:00 P.M. The following Trustees were present: Fitzhugh, Nash, Proctor and Gilbert. Absent: Trustee Stone.

A motion by Trustee Gilbert, seconded by Trustee Proctor, to suspend the regular order of business was duly carried.

A written communication from the Automobile Club of So. California concerning the closing of the road in front of the School House was read, and Trustee Proctor moved that this letter be placed of file and that the Clerk write to them expressing the appreciation of the Board for their kind attention in this matter; and that further details be placed before them explaining the exact proposition with an accompanying drawing. Trustee Gilbert seconded this motion and it was duly carried.

Written communication from Dr. Lancaster, Health Officer, read as follows:

"The rabies situation throughout Los Angeles City and County is getting quite bad, and promises to be rather alarming before the summer is over. Some cities and the County Supervisors are enacting very stringent muzzling ordinances, although for the present I do not think we need such drastic measures.

I would recommend that you employ some special man to round up and kill every unlicensed and straying dog now, and later it may be necessary to enact a more strict law than we now have. I will keep you informed of the situation."

Trustee Proctor moved that this communication be published, and that all dogs not properly licensed be taken up by the Pound Master. Trustee Gilbert seconded the motion and it was duly carried.

The second letter from Dr. Lancaster, regarding open privies, was read. Trustee Gilbert reported that this matter had been looked into, and that such privies were being connected with the sewer at the present time.

Mr. Hurum Reeve requested a permit to rope off Cravens Avenue, from Carson to Sussana Streets, from 2:00 to 4:00 P.M. Saturday, May 13th for the purpose of holding a boy's bicycle race.

The motion by Trustee Gilbert, seconded by Trustee Nash, that the permit be granted, and that the Marshall assist him in his official character only, was carried.

Trustee Proctor reported that he had told the City Engineer to secure local gravel for the repairing of 210th and Amapola Avenue. Bad holes were reported on Western Avenue.

On examination into the cost of gravel in carload lots, including unloading, hauling, etc. it was found that local gravel could be procured more cheaply.

Trustee Nash reported that he had received still lower bids for the printing of the bonds.

Trustee Gilbert reported progress on new Ordinances.

Attorney Briney gave report on title to Sewer System, and recommended the adoption of the following Resolution:
